Dulles Aide To Speak

One of the assistants to Allen Dulles, chief of the super-secret Central Intelligence Agency in Washington, will keynote the convention of the American Society for Quality Control Friday and Saturday at the Emerson Hotel.

HOWERTON

Paul W. Howerton, five-language linguist, will speak at 9:30 A.M. Friday on misconceptions built up over the years about information exchanges between the Free World and the Soviets.

Howerton has been with CIA since 1951, active in chemistry, mathematics and economics.
